## RADNOR THEATRE

Mr. BRIAN DIETZLER, M.Ed.

*"Building character on and off the stage."*

Dear Friends and Neighbors,

Welcome to Radnor Summer Theatre! It is my honor to be able to offer our students wonderful theatrical experiences to kick off their well-deserved summer break, putting on a show along with their friends - friends they have, and new friends they will make.

The memories and friends I made every summer growing up in Summer Stage are incredibly special. I learned so much of who I am as a person and as a performer, and most importantly, I learned that each and every person is special - in their hearts and in their artistry.

**Our philosophy is to build character - on and off the stage.** Young people are remarkable in their energy, optimism, and joy. The magic of shared experiences in theatre is not only felt by audiences enjoying performers onstage, but in the hearts of young people, united and sharing a common goal, cheering each other on.

It is an honor to be a teacher and director of the performing arts for over 25 years. It has been a wonderful gift to work with hundreds and hundreds of young people over the decades of my teaching and directing career, and Radnor Summer Theatre is a wonderful chance to provide your child with a safe, nurturing, friendly, and artistic environment to explore their talents and sharpen their skills, and then share their experience with the audience.

Our young people are fortunate to be hosted by Radnor High School, and we are grateful to our high school and District leaders who have always supported the performing arts as an important part of the holistic growth of each child. A special thank you to our Radnor Township School District leaders and staff!

Sign your child up today for making memories!

See you at the theater!

Sincerely,

Brian Dietzler, Theatre and Communications Teacher
